## INTRODUCTION

### TBTA, MTA and Other Related Entities

Triborough Bridge and Tunnel Authority, or TBTA, is a public benefit corporation, which means that it is a corporate entity separate and apart from the State, without any power of taxation – frequently called a “public authority”. TBTA is empowered to construct and operate toll bridges and tunnels and other public facilities in New York City. TBTA issues debt obligations to finance the capital costs of its facilities and the transit and commuter systems operated by other affiliates and subsidiaries of the Metropolitan Transportation Authority, or MTA. TBTA’s surplus amounts are used to fund transit and commuter operations and finance capital projects. The board members of MTA also serve as the board members of MTA’s affiliates and subsidiaries, including TBTA.

MTA has responsibility for developing and implementing a single, integrated mass transportation policy for New York City and the seven New York metropolitan-area counties of Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk and Westchester. It carries out some of those responsibilities by operating the transit and commuter systems through its subsidiary and affiliate entities: the New York City Transit Authority (the Transit Authority) and its subsidiary, the Manhattan and Bronx Surface Transit Operating Authority (MaBSTOA); the Staten Island Rapid Transit Operating Authority (SIRTOA); The Long Island Rail Road Company (LIRR); the Metro-North Commuter Railroad Company (MNCRC); and the Metropolitan Suburban Bus Authority (MSBA). MTA issues debt obligations to finance a substantial portion of the capital costs of these systems, other than MSBA.

MTA, TBTA and the other related entities are described in detail in **Appendix A** to MTA’s 2002 Combined Continuing Disclosure Filings, which is included by specific reference in this official statement. Also included in **Appendix A** is a description of the impact on the Related Entities, including TBTA, of the terrorist attack on the World Trade Center (WTC).

On October 9, 2002, MTA announced plans to effect a corporate restructuring to create five distinct companies under MTA’s governance:

- MTA Subways, that would include the Transit Authority’s subway operations and SIRTOA,
- MTA Bus, that would include the Transit Authority’s and MaBSTOA’s bus operations and MSBA, and could in the future include one or more bus lines currently operated by private companies in New York City and Westchester,
- MTA Rail, that would include LIRR and MNCRC,
- MTA Bridges and Tunnels, that will retain the corporate structure of TBTA, and
- MTA Capital, a new company that would be in charge of overseeing the system expansion projects for all MTA companies.

This corporate restructuring along business lines is designed to streamline administrative functions and provide each entity with a single transportation focus. The initiative, which is expected to be implemented over a two year time frame, will be in compliance with all applicable provisions of the resolutions and laws under which MTA and TBTA issue bonds, notes and other obligations.

For important information about MTA's website, *see* – FURTHER INFORMATION *below*.

**Debt Restructuring Program**

**Background.** As part of the process of determining funding sources for its transit and commuter capital programs for the years 2000-2004, and in order to increase bonding capacity, release existing reserve funds and simplify its current credit structure, MTA developed a program to restructure its, the Transit Authority's and TBTA's debt by consolidating most existing credits into four principal new credits:

- MTA Transportation Revenue Bonds,
- MTA State Service Contract Bonds,
- MTA Dedicated Tax Fund Bonds, and
- TBTA General Revenue Bonds and TBTA Subordinate Revenue Bonds.

**Portions of Debt Restructuring Completed.** MTA has fully defeased the resolutions and/or trust agreements relating to the following bonds and notes:

- MTA Transit Facilities Revenue Bonds and Bond Anticipation Notes,
- MTA Commuter Facilities Revenue Bonds and Bond Anticipation Notes,
- MTA Subordinated Commuter Facilities Revenue Bonds (Grand Central Terminal Redevelopment Project),
- Transit Authority Subordinated Transit Facilities Revenue Bonds (Livingston Plaza Project),
- MTA Transit Facilities Service Contract Bonds (1982 and 1987 Resolutions),
- MTA Commuter Facilities Service Contract Bonds (1982 and 1987 Resolutions),
- MTA Dedicated Tax Fund Bonds, and
- TBTA Beneficial Interest Certificates.

**Effect of Debt Restructuring on MTA Capital Programs.** Based on amounts currently estimated to have been generated by the completed portions of the program, and depending on market conditions as MTA issues the remaining refunding and new money bonds related to the debt restructuring, less than the \$4.5 billion of restructuring proceeds originally forecast may be available for the 2000-2004 Capital Programs. (MTA currently estimates that the \$4.5 billion can be achieved, depending on interest rate assumptions for the remaining issues). MTA annually evaluates the status of all funding sources and projects and may, from time to time, submit amendments to the 2000-2004 Capital Programs needed to bring funding sources and expected project costs into balance. See DEBT RESTRUCTURING and 2002-2003 FINANCIAL PLAN AND 2000-2004 CAPITAL PROGRAMS in Appendix A.

**TBTA Senior and Subordinate Revenue Bonds.** On October 8, 2002, TBTA issued the following aggregate principal amounts of bonds to refund outstanding TBTA bonds and all beneficial interest certificates:

- \$2,157,065,000 fixed rate General Revenue Refunding Bonds, Series 2002B (the Series 2002B General Revenue Bonds),
- \$103,305,000 variable rate General Revenue Variable Rate Refunding Bonds, Series 2002C (the Series 2002C General Revenue Bonds), and
- \$261,700,000 auction rate Subordinate Revenue Variable Rate Refunding Bonds, Series 2002D (the Series 2002D Bonds).

On October 8, 2002, TBTA substituted the TBTA General Revenue Bond Resolution (the Senior Resolution) for the TBTA general purpose revenue bond resolution adopted in 1980 as the resolution securing the following outstanding bonds and notes:

- \$23,530,000 General Purpose Revenue Bonds, Series EFC 1996A, that were issued as security for repayment of a loan in the same principal amount from the New York State Environmental Facilities Corporation from a portion of the proceeds of the \$102,515,000 New York State Environmental Facilities Corporation State Water Pollution Control Revolving Fund Revenue Bonds, Series 1996C (Pooled Loan Issue), dated June 1, 1996,
- \$807,190,000 General Purpose Revenue Bond Anticipation Notes, Series 2000A, maturing on January 1, 2003 (the Series 2000A BANs)<sup>(1)</sup>,
- \$1,125,720,000 General Purpose Revenue Bonds, Series 2001A,
- \$296,400,000 General Purpose Variable Rate Revenue Bonds, Series 2001B and 2001C, and
- \$268,300,000 General Purpose Revenue Bonds, Series 2002A.

---

<sup>(1)</sup> On or about November 20, 2002, MTA expects to issue approximately \$850 million aggregate principal amount of its Transportation Revenue Bonds to provide for the payment of the Series 2000A BANs.

On October 8, 2002, TBTA also substituted the Subordinate Revenue Resolution for the TBTA 1991 special obligation bond resolution as the resolution securing the following outstanding bonds:

- \$181,300,000 Special Obligation Variable Rate Refunding Bonds (1991 Resolution), Series 2000A,
- \$72,500,000 Special Obligation Variable Rate Refunding Bonds (1991 Resolution), Series 2000B,
- \$157,200,000 Special Obligation Variable Rate Refunding Bonds (1991 Resolution), Series 2000C, and
- \$96,600,000 Special Obligation Variable Rate Refunding Bonds (1991 Resolution), Series 2000D.

In addition, approximately \$234 million was applied on October 8, 2002 to the purchase of government securities sufficient to defease additional TBTA bonds.

These Series 2002F Bonds, together with approximately \$756 million fixed rate subordinate lien Series 2002E Bonds (the Series 2002E Subordinate Revenue Bonds) expected to be delivered on or about November 13, 2002, and approximately \$180 million auction rate subordinate lien Series 2002G Bonds (the Series 2002G Subordinate Revenue Bonds) expected to be delivered on or about November 26, 2002, are being issued in order to refund and defease in full the following remaining TBTA senior and subordinate bonds outstanding under the old resolutions in order to complete TBTA's portion of the debt restructuring:

- TBTA General Purpose Revenue Bonds,
- TBTA 1991 Mortgage Recording Tax Special Obligation Bonds, and
- TBTA 1994 Subordinated Special Obligation Bonds.

***Holders of the Series 2002F Bonds should note that, until all of the old TBTA senior and subordinate lien bonds are fully defeased or paid (currently expected on or about November 26, 2002), the TBTA Senior Resolution securing the senior lien debt will be subject to the pledges and agreements under the resolutions securing the old TBTA senior and subordinate bonds (collectively, the Old TBTA Resolutions).***

***Release of Existing Reserve Funds.*** Once the defeasance of the Old TBTA Resolutions and all TBTA bonds and notes issued thereunder has been accomplished, approximately \$413 million in reserves will be released to TBTA and are expected to be used primarily to finance transit and commuter capital projects.

For a more detailed description of the debt restructuring, *see* "DEBT RESTRUCTURING" in **Appendix A**.

## **Defined Terms**

Capitalized terms not otherwise defined in this official statement have the meanings provided by **Attachment 2**.

## **2003-2004 Financial Plan**

MTA had previously adopted a financial plan for the years 2000 through 2004 for itself and the other Related Entities, including TBTA, which paralleled the various Capital Programs for the 2000 through 2004 period. In the case of LIRR, MNCRC, the Transit Authority, and MaBSTOA, the financial plan had projected significant operating deficits for 2003 and 2004 which MTA anticipated would be closed by a variety of actions taken before or during those years. As a result of the extraordinary circumstances relating to the terrorist attack on the WTC and its aftermath, the MTA determined that it was appropriate to limit the scope of its financial plan to the 2002-2003 period (the 2002-2003 Financial Plan). The 2002-2003 Financial Plan reflects a balanced budget for 2002 for the MTA and each of the Related Entities, including TBTA. The 2002-2003 Financial Plan also reflects a budget gap currently projected at \$663.3 million for MTA and the Related Entities other than TBTA for 2003. As part of its annual process of preparing budgets, MTA and the other Related Entities are developing information regarding expenses and fare revenues and other receipts for 2003 to serve as the basis for determining the actual size of the 2003 gap which will need to be closed in the adopted budgets as well as proposed measures to close the projected gap. Estimates, both official and unofficial, as to the size of the projected gap and proposals as to the package of gap closing measures to be adopted are expected to be disseminated in the public media from time to time until the MTA and the other Related Entities adopt their actual budgets for 2003. The size of the gap included in the estimates of different parties could vary significantly from that currently included in the 2002-2003 Financial Plan. In addition,

proposed gap closing measures may also change over time and include differing elements depending on the source of the proposals. MTA and the other Related Entities expect to adopt balanced budgets for 2003 prior to December 31, 2002. It is currently anticipated that in conjunction with the adoption of the 2003 budgets, MTA will adopt a financial plan covering the years 2003 and 2004 and may also include amendments to TBTA's 2000-2004 Capital Program and proposed amendments to the 2000-2004 Capital Programs for the other Related Entities. Such financial plan may continue to show operating gaps for 2004 for Related Entities other than TBTA which could be significant.

### **Insurance Coverage Effective October 31, 2002**

Effective October 31, 2002, MTA, on behalf of the Related Entities, procured property insurance coverage with \$750 million in limits excess of a \$30 million per occurrence self-insured retention. MTA is currently in the process of purchasing additional coverage to bring the limit up to \$1 billion. The property insurance provides replacement cost coverage for all risks of direct physical loss or damage to all real and personal property, with minor exceptions, but excludes coverage for acts of terrorism and sabotage. The policy also provides extra expense and business interruption coverages.

MTA, on behalf of the Related Entities, has acquired separate coverage for acts of terrorism and sabotage in the amount of \$70 million in limits excess of a \$30 million per occurrence self-insured retention. The terrorism and sabotage policy provides business interruption coverage only for TBTA's bridges and tunnels.

In addition, excess liability insurance was renewed to provide a \$150 million in limits excess of a \$50 million per occurrence self-insured retention provided by the MTA's Excess Loss Fund. This program covers third-party liability occurrences arising out of the operations of the Related Entities.

TBTA will retain its right to redeem prior to maturity those TBTA bonds indicated on **Attachment 5**.

#### Escrow of Government Securities

A portion of the net proceeds of the Series 2002F Bonds will be used to acquire direct obligations of, or obligations guaranteed by, the United States of America (Government Securities), the principal of and interest on which, when due, will provide, together with any moneys which may be deposited by TBTA with the trustees under the applicable Old TBTA Resolutions (the Prior Trustees), moneys sufficient to pay the principal or redemption price of the Refunded Bonds and the interest to become due on such Refunded Bonds on and prior to their respective maturity or redemption dates.

The Government Securities and such other moneys, if any, will be deposited with the Prior Trustees upon the issuance and delivery of the Series 2002F Bonds and will be held in trust for the payment of the principal or redemption price of and interest on the Refunded Bonds. Upon making such deposit with the Prior Trustees and the issuance of certain irrevocable instructions to the Prior Trustees pursuant to the applicable Old TBTA Resolutions, the Refunded Bonds will, under the terms of the applicable Old TBTA Resolutions, be deemed to have been paid and will no longer be outstanding under the applicable Old TBTA Resolutions and will cease to be entitled to any lien, benefit or security under the applicable Old TBTA Resolutions.

### DESCRIPTION OF SERIES 2002F BONDS

#### General

**Variable Rate Bonds.** The Series 2002F Bonds will be dated their date of delivery and will mature on November 1, 2032. The Series 2002F Bonds are Variable Interest Rate Obligations that initially bear interest from their date of delivery in the Weekly Mode. The Series 2002F Bonds will bear interest from the date of issuance to and including November 20, 2002 at a rate to be established by TBTA and, thereafter, at the rate determined by the Remarketing Agent as described below. **This official statement is intended to provide disclosure only to the extent the Series 2002F Bonds remain in the Weekly Mode. In the event TBTA elects to convert the Series 2002F Bonds to a different Mode, it expects to circulate a revised disclosure document relating thereto.**

Interest on the Series 2002F Bonds is paid in arrears and is computed upon the basis of a 365-day year (366 in years when February has 29 days), for the number of days actually elapsed. The maximum rate of interest on the Series 2002F Bonds (other than Bank Bonds, as hereinafter described) at any time, whether before or after the maturity thereof, is 12% per annum (the Maximum Rate). "Bank Bonds" are Series 2002F Bonds held by the Liquidity Facility Issuer as a result of a draw on the Liquidity Facility to pay the Purchase Price of Series 2002F Bonds that have been tendered and not remarketed and may bear interest at a rate of up to 25% per annum.

TBTA has appointed J.P. Morgan Securities Inc. as Remarketing Agent in connection with the remarketing of the Series 2002F Bonds. The Remarketing Agent will determine the interest rate on the Series 2002F Bonds and will remarket Series 2002F Bonds tendered or required to be tendered for purchase on a best efforts basis. The Remarketing Agent may be removed or replaced by TBTA in accordance with the Remarketing Agreement..

**Payment of Series 2002F Bonds Purchase Price.** The Purchase Price (as hereinafter defined) of the Series 2002F Bonds that are tendered and not remarketed on any Purchase Date is payable pursuant to a standby bond purchase agreement (the Initial Liquidity Facility), by and among ABN AMRO Bank N.V. (the Initial Liquidity Facility Issuer), TBTA and U.S. Bank Trust National Association, acting as Trustee and Tender Agent. Pursuant to the Remarketing Agreement, the Remarketing Agent will suspend its obligation to remarket Series 2002F Bonds upon the termination or suspension of the Liquidity Facility.

For more information relating to the Initial Liquidity Facility Issuer, *see Attachment 4*.

The Initial Liquidity Facility is an obligation of the Initial Liquidity Facility Issuer as described herein. **The obligations of the Initial Liquidity Facility Issuer to purchase Series 2002F Bonds are subject to the satisfaction of certain conditions and may be terminated or suspended, in certain instances without notice or without the obligation of the Liquidity Facility Issuer to purchase Series 2002F Bonds that have been tendered for purchase.** *See Liquidity Facility below.*

The Purchase Price on the Series 2002F Bonds is payable solely from the proceeds of remarketing the Series 2002F Bonds by J.P. Morgan Securities Inc., acting as the Remarketing Agent, and from the proceeds from draws under the Liquidity Facility. Although TBTA has the option to purchase Series 2002F Bonds that have been neither remarketed nor purchased by the Liquidity Facility Issuer, it is not obligated to do so. Payment of the Purchase Price is not an obligation of TBTA, the Trustee, the Remarketing Agent or the Tender Agent and failure to make that payment shall not constitute an Event of Default under the TBTA Resolution. *See Source of Funds for Purchase of Series 2002F Bonds below.*

The Initial Liquidity Facility is scheduled to expire on November 8, 2007, unless extended or earlier terminated (in certain cases without notice) in accordance with its terms. *See Liquidity Facility below.*

**Book-Entry-Only System.** The Series 2002F Bonds will be issued as registered bonds, registered in the name of The Depository Trust Company or its nominee (together, DTC), New York, New York, which will act as securities depository for the Series 2002F Bonds. During the period during which the Series 2002F Bonds bear interest in the Weekly Mode, individual purchases will be made in book-entry-only form, in the principal amount of \$100,000 or any integral multiple of \$5,000 in excess thereof (Authorized Denominations). So long as DTC is the registered owner of the Series 2002F Bonds, all payments on the Series 2002F Bonds will be made directly to DTC. DTC is responsible for disbursement of those payments to its participants, and DTC participants and indirect participants are responsible for making those payments to beneficial owners. *See Attachment 1 – Book-Entry-Only System.*

**Interest Payments.** Interest on the Series 2002F Bonds is payable on the first Business Day of each month, commencing December 2, 2002. So long as DTC is the sole registered owner of all of the Series 2002F Bonds, all interest payments will be made to DTC by wire transfer of immediately available funds, and DTC's participants will be responsible for payment of interest to beneficial owners. All Series 2002F Bonds are fully registered in Authorized Denominations.

**Transfers and Exchanges.** So long as DTC is the securities depository for the Series 2002F Bonds, it will be the sole registered owner of the Series 2002F Bonds, and transfers of ownership interests in the Series 2002F Bonds will occur through the DTC Book-Entry-Only System.

**Trustee, Paying Agent and Tender Agent.** U. S. Bank Trust National Association is Trustee, Paying Agent and Tender Agent with respect to the Series 2002F Bonds.

## Terms Relating to the Weekly Mode

**Determination of Interest Rate in the Weekly Mode.** The interest rate for the Series 2002F Bonds in a Weekly Mode shall be determined by the Remarketing Agent on each Wednesday or, if that Wednesday is not a Business Day, the Business Day next preceding such Wednesday (the Rate Determination Date). The interest rate shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest that, in the opinion of the Remarketing Agent, would, under then existing market conditions, result in the sale of the Series 2002F Bonds on the Rate Determination Date at a price equal to the principal amount thereof, plus accrued interest, if any. The interest rate shall be effective on Thursday and shall continue in effect through the next succeeding Wednesday (the Interest Period), provided that if any Series 2002F Bonds subject to a Weekly Mode shall be converted to another Mode prior to such Wednesday, such Weekly Mode for such Series 2002F Bond shall continue in effect only until the day preceding the applicable Mode Change Date. The Remarketing Agent shall make the interest rate available by Electronic Means to each other Notice Party at or before 5:00 p.m., New York City time, on the Business Day immediately succeeding the Rate Determination Date.

In the event the Remarketing Agent fails to determine the interest rate or the method of determining the interest rate is held to be unenforceable by a court of law of competent jurisdiction, the Series 2002F Bonds will bear interest at the Alternate Rate for subsequent Interest Periods until such time as the Remarketing Agent again makes that determination or until there is delivered to TBTA and the Trustee a Favorable Opinion of Bond Counsel.

The Alternate Rate is

- the BMA Index (The Bond Market Association Municipal Swap Index released by Municipal Market Data to its subscribers), or
- if the BMA Index is no longer published, the Kenny Index (the rate determined on the basis of the Kenny 30-Day High Grade Index announced on Tuesday or the next preceding Business Day and as computed by Kenny Information Systems, Inc.), or
- if neither the BMA Index nor the Kenny Index are published, an index or a rate selected or determined by the Trustee and consented to by the Issuer.

No Series 2002F Bond (other than a Bank Bond) may at any time bear interest at a rate that is in excess of 12%. No Bank Bond may at any time bear interest at a rate that is in excess of 25%.

**Binding Effect.** Each determination of the interest rate for the Series 2002F Bonds, as provided herein, shall be conclusive and binding upon the holders of the Series 2002F Bonds, TBTA, the Remarketing Agent, the Tender Agent, the Liquidity Facility Issuer and the Trustee.

## Changes in Mode

**General.** All or any portion of the Series 2002F Bonds may be changed to any other Mode at the times and in the manner as summarized below.

**Notice of Intention to Change Mode.** TBTA shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (the Current Mode) to another Mode (the New Mode) specified in such written notice, together with the proposed effective date of that change in the Mode (the Mode Change Date). The notice shall be given at least 20 days prior to the Mode Change Date.

### **General Provisions Applying to Changes from One Mode to Another.**

1. The Mode Change Date must be a Business Day.
2. On or prior to the date TBTA provides the notice to the Notice Parties, TBTA shall deliver to the Trustee (with a copy to all other Notice Parties) a letter from Bond Counsel addressed to the Trustee to the effect that it expects to be able to deliver a Favorable Opinion of Bond Counsel on the Mode Change Date.

3. No change in Mode will become effective unless all conditions precedent thereto have been met and the following items shall have been delivered to the Trustee and the Remarketing Agent by 11:00 a.m., or such later time as is acceptable to TBTA, the Trustee and the Remarketing Agent, on the Mode Change Date:

- a Favorable Opinion of Bond Counsel dated the Mode Change Date,
- unless the existing Tender Agency Agreement and Remarketing Agreement is effective on the Mode Change Date, a Tender Agency Agreement and a Remarketing Agreement if required for the New Mode, and
- a certificate of an authorized officer of the Tender Agent to the effect that all of the Series 2002F Bonds tendered or deemed tendered, unless otherwise redeemed, have been purchased at a price at least equal to the principal amount thereof.

4. If all conditions to the Mode change are met, the interest period for the New Mode shall commence on the Mode Change Date and the interest rate shall be determined by the Remarketing Agent.

5. In the event the foregoing conditions have not been satisfied by the Mode Change Date, the New Mode shall not take effect and the Series 2002F Bonds that are the subject of the Mode change:

- will not be subject to mandatory tender for purchase, and
- will continue to be in the Weekly Mode.

#### **Tender, Presentation and Purchase Provisions of the Series 2002F Bonds During the Weekly Mode**

*Purchase on Demand of Owners of Series 2002F Bonds in Weekly Mode.* The Owners of the Series 2002F Bonds that are not Bank Bonds or Series 2002F Bonds registered in the name of TBTA may elect to have such Series 2002F Bonds (or portions thereof in Authorized Denominations) purchased on a Business Day at a price (the Purchase Price) equal to the principal amount so tendered plus accrued interest (if the Purchase Date is not an Interest Payment Date). Owners must deliver a written notice of tender (the Tender Notice), or telephonic notice of tender to the Tender Agent and the Remarketing Agent, promptly confirmed in writing to the Tender Agent and the Remarketing Agent at their respective principal offices, not later than 4:00 p.m. on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner. The Tender Notice, once transmitted to the Tender Agent and the Remarketing Agent, shall be irrevocable and that tender shall occur on the Purchase Date specified in that Tender Notice. The Tender Agent shall notify the Trustee by the close of business on the next succeeding Business Day of the receipt of any Tender Notice.

During any period that Series 2002F Bonds are registered in the name of DTC or a nominee thereof pursuant to the TBTA Resolution,

- any Tender Notice delivered as described in the immediately preceding paragraph shall identify the DTC Participant through whom the beneficial owner will direct transfer,
- on or before the Purchase Date, the beneficial owner must direct (or if the beneficial owner is not a DTC Participant, cause its DTC Participant to direct) the transfer of said Series 2002F Bond on the records of DTC, and
- it shall not be necessary for Series 2002F Bonds to be physically delivered on the date specified for purchase thereof, but such purchase shall be made as if such Series 2002F Bonds had been so delivered, and the Purchase Price thereof shall be paid to DTC.

In accepting a notice of tender as provided above, the Trustee and the Tender Agent may conclusively assume that the person providing such notice of tender is the beneficial owner of Series 2002F Bonds tendered and therefore entitled to tender them. The Trustee and Tender Agent assume no liability to anyone in accepting a notice of tender from a person whom it reasonably believes to be such a beneficial owner of Series 2002F Bonds.

***Mandatory Purchase on any Mode Change Date.*** Except for Bank Bonds or Series 2002F Bonds registered in the name of TBTA, the Series 2002F Bonds to be changed to any Mode from any other Mode are subject to a mandatory tender for purchase on the Mode Change Date at the Purchase Price equal to the principal amount thereof.

***Mandatory Purchase Upon Expiration Tender Date, Termination Tender Date and Substitution Date.*** Except for Bank Bonds or Series 2002F Bonds registered in the name of TBTA, the Series 2002F Bonds are subject to mandatory tender for purchase on:

- the second Business Day preceding the Expiration Date of a Liquidity Facility, which second Business Day is hereinafter referred to as an Expiration Tender Date;
- the fifth calendar day (or if such day is not a Business Day, the preceding Business Day) preceding the Termination Date of a Liquidity Facility, which fifth calendar day is hereinafter referred to as a Termination Tender Date, if the Liquidity Facility permits a draw thereon on the Termination Tender Date (*see below – Liquidity Facility – Immediate Suspension or Termination Events*); and
- the Substitution Date for a Liquidity Facility.

A “Substitution Date” means:

- the date that is specified in a written notice given by TBTA to the Trustee and the Tender Agent as the date on which an Alternate Liquidity Facility is to be substituted for the then-existing Liquidity Facility (even if the substitution fails to occur on that date), and
- the second Business Day preceding the date that is specified in a written notice given to the Trustee and the Tender Agent in accordance with the Liquidity Facility as the date on which the assignment of the obligation of the Liquidity Facility Issuer under the Liquidity Facility is effective (even if the assignment fails to occur on that date).

***Notice of Mandatory Tender for Purchase.*** The Trustee shall, at least fifteen (15) days prior to the Expiration Tender Date, give notice of the mandatory tender on that Expiration Tender Date if it has not theretofore received confirmation that the Expiration Date has been extended.

Upon receipt of a written notice from the Liquidity Facility Issuer or TBTA that the Liquidity Facility will terminate or the obligation of the Liquidity Facility Issuer to purchase the Series 2002F Bonds will terminate prior to its Expiration Date, the Trustee shall within one (1) Business Day give notice of the mandatory tender of the Series 2002F Bonds that is to occur on such Termination Tender Date if it has not theretofore received from the Liquidity Facility Issuer or TBTA a notice stating that the event which resulted in the Liquidity Facility Issuer or TBTA giving a notice of the Termination Date has been cured and that the Liquidity Facility Issuer or TBTA has rescinded its election to terminate the Liquidity Facility. Notwithstanding anything to the contrary described below, that notice shall be given by Electronic Means capable of creating a written notice. Any notice given substantially as described in this paragraph shall be conclusively presumed to have been duly given, whether or not actually received by each Owner.

The Trustee shall, at least fifteen (15) days prior to the Substitution Date, give notice of the mandatory tender of the Series 2002F Bonds on the Substitution Date.

The Trustee shall, at least fifteen (15) days prior to any Mode Change Date give notice of the mandatory tender for purchase of the Series 2002F Bonds that is to occur on that date.

Except as provided in the third immediately preceding paragraph, notice of any mandatory tender of Series 2002F Bonds shall be provided by the Trustee or caused to be provided by the Trustee by mailing a copy of the notice of mandatory tender by first-class mail to each Owner of Series 2002F Bonds at the respective addresses shown on the registry books. Each notice of mandatory tender for purchase shall identify the reason for the mandatory tender for purchase, and specify:

- the Mandatory Purchase Date,
- the Purchase Price,
- the place and manner of payment,
- that the Owner has no right to retain such Series 2002F Bond, and
- that no further interest will accrue from and after the Mandatory Purchase Date to such Owner.

Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Series 2002F Bonds shall in addition specify the conditions that have to be satisfied pursuant to the TBTA Resolution in order for the New Mode to become effective and the consequences that the failure to satisfy any of such conditions would have.

In the event a mandatory tender of Series 2002F Bonds shall occur at or prior to the same date on which an optional tender for purchase is scheduled to occur, the terms and conditions of the applicable mandatory tender for purchase shall control. Any notice mailed as described above shall be conclusively presumed to have been duly given, whether or not the Owner of any Series 2002F Bond receives the notice, and the failure of that Owner to receive any such notice shall not affect the validity of the action described in that notice. Failure by the Trustee to give a notice as provided under this caption would not affect the obligation of the Tender Agent to purchase the Series 2002F Bonds subject to mandatory tender for purchase on the Mandatory Purchase Date.

#### **Remarketing of Series 2002F Bonds; Notices**

The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for (i) all Series 2002F Bonds or portions thereof as to which a Tender Notice has been given and (ii) all Series 2002F Bonds required to be tendered for purchase. No Series 2002F Bond shall be remarketed (x) to TBTA, or any affiliate of TBTA, nor shall any Bank Bonds be remarketed unless the Liquidity Facility has been or will be, immediately upon such remarketing, reinstated by the amount of the reduction that occurred when such Series 2002F Bonds became Bank Bonds, and (y) at a price that is less than the Purchase Price of such Series 2002F Bonds.

Pursuant to the Remarketing Agreement, the Remarketing Agent will suspend remarketing of the Series 2002F Bonds upon the termination or suspension of the Liquidity Facility.

#### ***Notice of Remarketing; Registration Instructions; New Series 2002F Bonds***

(i) The Remarketing Agent shall notify the Tender Agent not later than 11:45 a.m. on the Purchase Date or Mandatory Purchase Date of the registration instructions as may be necessary to re-register Series 2002F Bonds; and

(ii) Unless otherwise required by DTC and DTC's book-entry-only system applicable to the Series 2002F Bonds, the Tender Agent shall authenticate and have available for delivery to the Remarketing Agent prior to 12:30 p.m. on the Purchase Date or Mandatory Tender Date new Series 2002F Bonds for the respective purchasers thereof.

#### ***Transfer of Funds***

(i) The Remarketing Agent shall at or before 11:45 a.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, (x) notify TBTA, the Trustee and the Tender Agent by Electronic Means of the amount of tendered Series 2002F Bonds that were not successfully remarketed, and (y) confirm to the Trustee and the Tender Agent the transfer of the Purchase Price of remarketed Series 2002F Bonds to the Tender Agent in immediately available funds at or before 12:00 (noon), such information to include pertinent Fed Wire reference number.

(ii) The Trustee shall draw on the Liquidity Facility, in accordance with the terms thereof, by 12:25 p.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, in an amount equal to the Purchase Price of all Series 2002F Bonds tendered or deemed tendered less the aggregate amount of remarketing proceeds confirmed to the Trustee and the Tender Agent by the Remarketing Agent as described in clause (i) above and shall cause the proceeds of such draw to be transferred to the Tender Agent by no later than 2:30 p.m. Notwithstanding the

foregoing, the Trustee shall draw on the Liquidity Facility, if any, in an amount equal to the Purchase Price of all Series 2002F Bonds tendered or deemed tendered for purchase on each Purchase Date or Mandatory Purchase Date, as the case may be, if it does not receive a confirmation from the Remarketing Agent as described in clause (i) above.

(iii) The Tender Agent shall confirm to TBTA and the Trustee by 2:40 p.m. on the Purchase Date or Mandatory Purchase Date, receipt of the proceeds of any draw on the Liquidity Facility.

The Trustee shall not draw on a Liquidity Facility with respect to the Purchase Price of Bank Bonds or Series 2002F Bonds owned by TBTA or any subsidiary or affiliate of TBTA or the Liquidity Facility Issuer.

#### **Source of Funds for Purchase of Series 2002F Bonds**

On or before the close of business on the Purchase Date or the Mandatory Purchase Date with respect to Series 2002F Bonds, the Tender Agent shall purchase the Series 2002F Bonds from the Owners at the Purchase Price. Funds for the payment of such Purchase Price shall be derived in the order of priority indicated:

- immediately available funds transferred by the Remarketing Agent to the Tender Agent derived from the remarketing of Series 2002F Bonds; and
- immediately available funds transferred by the Trustee to the Tender Agent derived from the Liquidity Facility.

Notwithstanding the foregoing, TBTA shall have the option, but shall not be obligated, to transfer immediately available funds to the Tender Agent for the payment of the Purchase Price of any Series 2002F Bond that is tendered or deemed tendered as described in this official statement and the Purchase Price of which is not paid on the Purchase Date or Mandatory Purchase Date from any of the sources identified above. None of TBTA, the Trustee, the Tender Agent nor the Remarketing Agent shall have any liability or obligation to pay or, except from the sources identified above, make available such Purchase Price. The failure to pay any such Purchase Price for Series 2002F Bonds that have been tendered or deemed tendered for purchase from any of the sources identified above shall not constitute an Event of Default under the TBTA Resolution and in the case of that failure those Series 2002F Bonds shall not be purchased and shall remain in the Weekly Mode.

#### **Delivery of Remarketed Series 2002F Bonds**

Except as otherwise required or permitted by DTC's book-entry-only system, remarketed Series 2002F Bonds sold by the Remarketing Agent shall be delivered by the Remarketing Agent to the purchasers of those Remarketed Bonds by 3:00 p.m. on the Purchase Date or Mandatory Purchase Date, as the case may be.

#### **Delivery and Payment for Purchased Series 2002F Bonds; Undelivered Series 2002F Bonds**

Except as otherwise required or permitted by DTC's book-entry-only system, Series 2002F Bonds that are to be tendered shall be delivered (with all necessary endorsements) at or before 12:00 noon on the Purchase Date or Mandatory Purchase Date, as the case may be, at the office of the Tender Agent in New York, New York; provided, however, that payment of the Purchase Price of any Series 2002F Bond purchased pursuant to the optional tender provisions shall be made only if such Series 2002F Bond so delivered to the Tender Agent conforms in all respects to the description thereof in the Tender Notice.

Payment of the Purchase Price will be made by wire transfer in immediately available funds by the Tender Agent by the close of business on the Purchase Date or Mandatory Purchase Date, as the case may be, or, if the Owner has not provided wire transfer instructions, by check mailed to the Owner at the address appearing in the Trustee's books.

If Series 2002F Bonds are not delivered by 12:00 noon, the Tender Agent will hold any funds received for the purchase of the Series 2002F Bonds that are tendered or deemed tendered in trust in a separate account and shall pay such funds upon presentation. Any such amounts shall be held uninvested. Those undelivered Series 2002F Bonds shall be deemed tendered and cease to accrue interest as to the former Owners on the Purchase Date or the

Mandatory Purchase Date, as the case may be, and moneys representing the Purchase Price shall be available against delivery of those Series 2002F Bonds at the principal office of the Tender Agent; provided, however, that any funds which shall be so held by the Tender Agent and which remain unclaimed by the former Owner of any such Series 2002F Bond not presented for purchase for a period of two years after delivery of those funds to the Tender Agent, shall, to the extent permitted by law, upon request in writing by TBTA and the furnishing of security or indemnity to the Tender Agent's satisfaction, be paid to TBTA free of any trust or lien and thereafter the former Owner of such Series 2002F Bond shall look only to TBTA and then only to the extent of the amounts so received by TBTA without any interest thereon and the Tender Agent shall have no further responsibility with respect to such moneys or payment of the Purchase Price of such Series 2002F Bonds. The Tender Agent shall authenticate a replacement Series 2002F Bond for any undelivered Series 2002F Bond which may then be remarketed by the Remarketing Agent.

### **Redemption Provisions During the Weekly Mode**

The Series 2002F Bonds are redeemable prior to maturity on such dates and at such prices during the Weekly Mode as are set forth below.

***Mandatory Sinking Fund Redemption.*** The Series 2002F Bonds are subject to redemption in part on November 1 of each year and in the respective principal amounts set forth below at 100% of the principal amount thereof, plus accrued interest to the redemption date, from sinking fund installments which are required to be made in amounts sufficient to redeem on November 1 of each year set forth below the principal amount of such Series 2002F Bonds specified for each of the years shown below:

***Credit Toward Mandatory Sinking Fund Redemption.*** TBTA may take credit toward mandatory Sinking Fund Installment requirements as follows, and if taken, thereafter reduce the amount of term Series 2002F Bonds of the same maturity and interest rate otherwise subject to mandatory Sinking Fund Installments on the date for which credit is taken:

- If TBTA directs the Trustee to purchase term Series 2002F Bonds with money in the Debt Service Fund (at a price not greater than par plus accrued interest to the date of purchase), then a credit of 100% of the principal amount of bonds purchased will be made against the next Sinking Fund Installment due.
- If TBTA purchases or redeems term Series 2002F Bonds with other available moneys, then the principal amount of those bonds will be credited against future Sinking Fund Installments in any order, and in any annual amount, that TBTA may direct.

**Optional Redemption.** The Series 2002F Bonds are subject to redemption prior to maturity as a whole or in part (in accordance with procedures of DTC, so long as DTC is the Owner, and otherwise by lot in such manner as the Trustee in its discretion deems proper), on any Business Day, subject to applicable notice, at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest up to but not including the redemption date. If any such optional redemption shall occur, TBTA will redeem Bank Bonds first.

**State and City Redemption.** Pursuant to the TBTA Act, the State or the City, upon providing sufficient funds, may require TBTA to redeem the Series 2002F Bonds as a whole at any time and at a price and in accordance with the terms upon which the Series 2002F Bonds are otherwise redeemable.

**Redemption of Bank Bonds.** The Bank Bonds shall be subject to optional and mandatory redemption under the same terms and conditions as provided with respect to other Series 2002F Bonds. The Bank Bonds shall also be subject to mandatory redemption at the times and under the terms and conditions as provided in the Liquidity Facility relating to such Bank Bonds.

**Redemption in Part; Bank Bonds To Be Redeemed First.** In the event of a redemption of less than all the Series 2002F Bonds, the Trustee shall in accordance with the TBTA Resolution first select for redemption all then outstanding Bank Bonds prior to selecting for redemption any Series 2002F Bonds which are not Bank Bonds unless the Liquidity Facility Issuer shall be in default under the Liquidity Facility, in which case, the Trustee shall at the written direction of TBTA, select for redemption all then outstanding Series 2002F Bonds in accordance with such direction.

**Redemption Notices.** So long as DTC is the securities depository for the Series 2002F Bonds, the Trustee must mail redemption notices to DTC at least 30 days before the redemption date. If the Series 2002F Bonds are not held in book-entry form, then the Trustee must mail redemption notices directly to bondholders within the same time frame. A redemption of the Series 2002F Bonds is valid and effective even if DTC's procedures for notice should fail. Beneficial owners should consider arranging to receive redemption notices or other communications to DTC affecting them, including notice of interest payments through DTC participants. Any notice of optional redemption may state that it is conditional upon receipt by the Trustee of money sufficient to pay the Redemption Price or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before the payment of the Redemption Price if any such condition so specified is not satisfied or if any such other event occurs. **Please note that all redemptions are final - even if beneficial owners did not receive their notice, and even if that notice had a defect.**

**Effect of Call for Redemption.** If the Trustee gives an unconditional notice of redemption, then on the redemption date the Series 2002F Bonds called for redemption will become due and payable. If the Trustee gives a conditional notice of redemption and holds money to pay the redemption price of the affected Series 2002F Bonds, then on the redemption date the Series 2002F Bonds called for redemption will become due and payable. In either case, if on the redemption date the Trustee holds money to pay the Series 2002F Bonds called for redemption, thereafter, no interest will accrue on those Series 2002F Bonds, and a bondholder's only right will be to receive payment of the redemption price upon surrender of those Series 2002F Bonds.

## **Amendments**

The provisions of the TBTA Resolution, with respect to the Series 2002F Bonds, may be modified or amended pursuant to the TBTA Resolution by obtaining, when required by the TBTA Resolution, the consent of the Owners of all Series 2002F Bonds. All Owners of the Series 2002F Bonds will be deemed to have consented to a modification or amendment if on the 30<sup>th</sup> day (or if such day is not a Business Day, on the next succeeding Business Day) after the date on which the Trustee mailed notice of such proposed modification or amendment to the Owners of the Series 2002F Bonds there is delivered to the Trustee –

- a certificate of the Tender Agent to the effect that all Series 2002F Bonds that have been optionally tendered for purchase by their Owners after the date on which the Trustee mailed such notice of the proposed modification or amendment have been purchased at a price equal to the Purchase Price thereof,
- a written consent of the Remarketing Agent to the proposed modification or amendment, and

- a Favorable Opinion of Bond Counsel.

## Liquidity Facility

**General Description.** The Series 2002F Bonds are, under certain conditions, subject to optional and mandatory tender for purchase from specified sources. The purchase by the Tender Agent of Series 2002F Bonds tendered or deemed tendered for optional or mandatory purchase (the Tendered Series 2002F Bonds) will be funded only from (i) remarketing proceeds, and (ii) to the extent that remarketing proceeds are not available, proceeds available from the Liquidity Facility. Although TBTA has the option to purchase Series 2002F Bonds that have been neither remarketed nor purchased by the Liquidity Facility Issuer, it is not obligated to do so. *See* Tender, Presentation and Purchase Provisions of the Series 2002F Bonds During the Weekly Mode and Source of Funds for Purchase of Series 2002F Bonds *above*. *See Attachment 4 – Initial Liquidity Facility Issuer* for information regarding the Initial Liquidity Facility Issuer.

Subject to certain conditions described below, the Initial Liquidity Facility Issuer will purchase from time to time during the period from the date of delivery of the Series 2002F Bonds to and including November 8, 2007 (unless extended) or earlier termination or suspension of the Initial Liquidity Facility, any Tendered Series 2002F Bonds which are required to be purchased due to an optional or mandatory tender for purchase that have not been remarketed at the times and in the manner set forth in the TBTA Resolution. The price to be paid by the Initial Liquidity Facility Issuer pursuant to the Initial Liquidity Facility for purchased Series 2002F Bonds will be equal to the aggregate principal amount of such Series 2002F Bonds plus accrued interest thereon (up to 35 days of interest calculated at an aggregate rate not to exceed 12% per annum based on a year of 365 days), if any, other than defaulted interest, to the date of such purchase. Upon any purchase of Series 2002F Bonds with amounts realized under the Initial Liquidity Facility, the commitment of the Initial Liquidity Facility Issuer to purchase Series 2002F Bonds shall be reduced by the Purchase Price and shall be reinstated by such amount upon the repurchase of such Series 2002F Bonds from the Initial Liquidity Facility Issuer, all in accordance with the Initial Liquidity Facility.

The Initial Liquidity Facility does not provide security for the scheduled payment of principal of or interest or premium, if any, on the Series 2002F Bonds, and the funds drawn thereunder may not be used for such purposes.

**AS DESCRIBED BELOW, THE INITIAL LIQUIDITY FACILITY PROVIDES THAT THE OBLIGATION OF THE INITIAL LIQUIDITY FACILITY ISSUER TO PURCHASE SERIES 2002F BONDS TENDERED OR DEEMED TENDERED FOR PURCHASE MAY BE IMMEDIATELY SUSPENDED OR TERMINATED UPON THE OCCURRENCE OF CERTAIN EVENTS WITHOUT NOTICE TO THE OWNERS. IN SUCH EVENT, SUFFICIENT FUNDS MAY NOT BE AVAILABLE TO PURCHASE SERIES 2002F BONDS TENDERED OR DEEMED TENDERED FOR PURCHASE. FAILURE TO PAY THE PURCHASE PRICE OF SERIES 2002F BONDS TENDERED OR DEEMED TENDERED FOR PURCHASE SHALL NOT CONSTITUTE AN EVENT OF DEFAULT UNDER THE TBTA RESOLUTION.**

**Immediate Suspension or Termination Events.** The occurrence of certain termination events under the Initial Liquidity Facility may result in a suspension or termination of the Initial Liquidity Facility Issuer's commitment to purchase Tendered Series 2002F Bonds. The following events are "termination events" under the Initial Liquidity Facility:

- (a) any principal or interest due on the Series 2002F Bonds is not paid by TBTA when due; or
- (b) (i) TBTA shall (A) commence a voluntary case under the Federal bankruptcy laws (as now or hereafter in effect), (B) file a petition seeking to take advantage of any other laws, domestic or foreign, relating to bankruptcy, insolvency, reorganization, debt adjustment, winding up or composition or adjustment of debts, (C) consent to or fail to contest in a timely and appropriate manner any petition filed against it in an involuntary case under such bankruptcy laws or other laws, (D) apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property, (E) admit in writing its inability to pay, or generally not be paying, its debts as they become due, (F) make a general assignment for the benefit of creditors, or (G) take any official action for the purpose of effecting any of the foregoing; or (ii) a case or other proceeding shall be commenced against TBTA in any court of

- competent jurisdiction seeking (A) relief under the Federal bankruptcy laws (as now or hereafter in effect) or under any other laws, domestic or foreign, relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or (B) the appointment of a trustee, receiver, custodian, liquidator or the like of TBTA, or of all or a substantial part of its property, and any such case or proceeding shall continue undismissed or unstayed for a period of 60 consecutive calendar days, or an order granting the relief requested in any such case or proceeding against TBTA (including, but not limited to, an order for relief under such Federal bankruptcy laws) shall be entered; or
- (c) any material provision of the TBTA Resolution shall cease to be a valid and binding agreement of TBTA or TBTA shall contest the enforceability or validity thereof; or
  - (d) any representation or warranty made by TBTA under or in connection with the Initial Liquidity Facility or any of the Related Documents (as defined in the Initial Liquidity Facility) shall prove to be untrue in any material respect on the date as of which it was made; or
  - (e) nonpayment of certain fees due under the Initial Liquidity Facility within five (5) Business Days after the Trustee and TBTA have received written notice from the Initial Liquidity Facility Issuer that the same were not paid when due; or
  - (f) nonpayment of any other fees, or any other amount when due under the Initial Liquidity Facility, if such failure to pay when due shall continue for five (5) Business Days after such non-payment; or
  - (g) the breach by TBTA of any of the terms or provisions of certain covenants set forth in the Initial Liquidity Facility; or
  - (h) the breach by TBTA of any of the other terms or provisions of the Initial Liquidity Facility which is not remedied within five (5) Business Days after written notice thereof shall have been received by TBTA from the Initial Liquidity Facility Issuer; or
  - (i) any “event of default” shall have occurred and be continuing under the TBTA Resolution and the applicable cure period shall have elapsed.

In the case of a termination event specified in paragraphs (a), (b) and (c) above, the Available Commitment (as defined in the Initial Liquidity Facility) and the obligation of the Initial Liquidity Facility Issuer to purchase Tendered Series 2002F Bonds shall immediately terminate without notice or demand, and thereafter the Initial Liquidity Facility Issuer shall be under no obligation to purchase Tendered Series 2002F Bonds. Promptly after the Initial Liquidity Facility Issuer receives written notice of such termination event, the Initial Liquidity Facility Issuer shall give written notice of the same to the Trustee, TBTA and the Remarketing Agent; provided, that the Initial Liquidity Facility Issuer shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of the Initial Liquidity Facility Issuer’s Available Commitment and of its obligation to purchase Tendered Series 2002F Bonds pursuant to the Initial Liquidity Facility.

In the case of a termination event described in paragraphs (d), (e), (f), (g), (h) and (i) above, the Initial Liquidity Facility Issuer may terminate the Available Commitment by giving written notice of such termination event (the termination notice) to TBTA and the Trustee specifying the date on which the Available Commitment will terminate (the termination date), which shall be not less than thirty (30) days from the date of receipt of such notice by the Trustee, and on and after the termination date, the Initial Liquidity Facility Issuer shall be under no further obligation to purchase Tendered Series 2002F Bonds other than Series 2002F Bonds which are the subject of a notice of purchase received by the Initial Liquidity Facility Issuer prior to the termination date, and TBTA shall forthwith, upon written request of the Initial Liquidity Facility Issuer, use its best efforts (taking into account current market conditions) to convert all of the Series 2002F Bonds to a fixed rate in accordance with the TBTA Resolution.

*See Tender, Presentation and Purchase Provisions of the Series 2002F Bonds During the Weekly Mode; Remarketing of Series 2002F Bonds; Notices; and Sources of Funds for Purchase of Series 2002F Bonds above.*

## PART II. SOURCES OF PAYMENT AND SECURITY FOR TBTA GENERAL REVENUE BONDS

*Part II* of this official statement describes the sources of payment and security for all TBTA General Revenue Bonds, including the Series 2002F Bonds.

### SOURCES OF PAYMENT

TBTA receives its revenues from all tolls, rates, fees, charges, rents, proceeds of use and occupancy insurance on any portion of its tunnels, bridges and other facilities, including the net revenues of the Battery Parking Garage, and TBTA's receipts from those sources, after payment of TBTA's operating expenses, are pledged to the holders of the Bonds for payment, as described below.

The following 7 bridges and 2 tunnels constitute TBTA Facilities for purposes of the TBTA Resolution:

- Triborough Bridge,
- Verrazano-Narrows Bridge,
- Bronx-Whitestone Bridge,
- Throgs Neck Bridge,
- Henry Hudson Bridge,
- Marine Parkway-Gil Hodges Memorial Bridge,
- Cross Bay Veterans Memorial Bridge,
- Brooklyn-Battery Tunnel, and
- Queens Midtown Tunnel.

In addition, but only for purposes of determining Revenues under the TBTA Resolution, the net revenues of the Battery Parking Garage are included.

TBTA is required to fix and collect tolls for the TBTA Facilities, and TBTA's power to establish toll rates is not subject to the approval of any governmental entity. For more information relating to TBTA's power to establish tolls, *see* **Appendix A – THE RELATED ENTITIES – The Triborough Bridge and Tunnel Authority – Toll Rates.**

For more detailed information about TBTA's tolls, *see* the report of the Independent Engineers – History and Projection of Traffic, Toll Revenues and Expenses and Review of Physical Condition of the Facilities of Triborough Bridge and Tunnel Authority *included by specific reference herein.*

From time to time legislation has been introduced by various State legislators seeking, among other things, to restrict the level of tolls on certain of TBTA's Facilities, to require approval of future toll increases by the Governor, or to eliminate minimum tolls or to require discounts or free passage to be accorded to certain users of TBTA's Facilities. Under the TBTA Act, however, the State has covenanted to holders of TBTA's bonds that it will not limit or alter the rights vested in TBTA to establish and collect such charges and tolls as may be convenient or necessary to produce sufficient revenue to fulfill the terms of any agreements made with the holders of TBTA bonds or in any way to impair rights and remedies of those bondholders.

**Table 2** sets forth, by TBTA Facility, the amount of revenues for each of the last 5 years on a cash basis, as well as operating expenses. For a description of the effects on the operations of the TBTA Facilities due to the terrorist attack on WTC on September 11, 2001, *see* **Appendix A – THE RELATED ENTITIES – Terrorist Attack on World Trade Center**, and the report of the Independent Engineers – History and Projection of Traffic, Toll Revenues and Expenses and Review of Physical Condition of the Facilities of Triborough Bridge and Tunnel Authority *included by specific reference herein.*

<sup>(1)</sup> Includes the net revenues from the Battery Parking Garage. Investment earnings include interest earned on bond funds, including debt service and debt service reserve funds, that were applied to the payment of debt service as follows for the years 1997 through 2001, respectively: \$12,227; \$17,581; \$12,205; \$14,659; and \$25,696. Readers should note that, since there is no debt service reserve fund in the TBTA Resolution, investment earnings are expected to be substantially lower in future years. Figures are net of Other Income as included on the TBTA audited financial statements (rail car leases), as follows for the years 1997 through 2001, respectively: \$5,258; \$5,258; \$6,683; \$805; and \$620.

<sup>(2)</sup> Excludes depreciation.

<sup>(3)</sup> Represents debt service on bonds outstanding under TBTA's 1980 Resolution.

## SECURITY

TBTA General Revenue Bonds, including the Series 2002F Bonds, are general obligations of TBTA payable solely from the trust estate (described below) pledged for the payment of the Bonds and Parity Debt pursuant to the terms of the TBTA Resolution, after the payment of Operating Expenses. Summaries of certain provisions of the TBTA Resolution, including the Standard Resolution Provisions, are included by specific reference herein. The provisions of the new TBTA Resolution are materially different from the TBTA 1980 Resolution.

TBTA General Revenue Bonds are not a debt of the State or The City of New York, or any local governmental unit. TBTA has no taxing power.

### **Pledge Effectuated by the TBTA Resolution**

The Bonds and Parity Debt issued in accordance with the TBTA Resolution are secured by a net pledge of Revenues after the payment of Operating Expenses.

Pursuant to, and in accordance with, the TBTA Resolution, TBTA has pledged to the holders of the Bonds a “trust estate,” which consists of

- Revenues,
- the proceeds from the sale of the Bonds, and
- all funds, accounts and subaccounts established by the TBTA Resolution (except those established by a supplemental obligation resolution for variable interest rate obligations, put obligations, parity debt, subordinated contract obligations or subordinated debt).

***Holders of the Series 2002F Bonds should note that, until all of the old TBTA senior and subordinate lien bonds are fully defeased or paid (currently expected on or about November 26, 2002), the TBTA Senior Resolution securing the senior lien debt will be subject to the pledges and agreements under the resolutions securing the old TBTA senior and subordinate bonds (collectively, the Old TBTA Resolutions).***

### **Revenues and Additional TBTA Projects**

***Revenues from TBTA Facilities.*** For purposes of the pledge under the TBTA Resolution, revenues of TBTA generally include all tolls, revenues, rates, fees, charges, rents, proceeds of use and occupancy insurance on any portion of the TBTA Facilities (including net revenues derived from the Battery Parking Garage) and of any other insurance which insures against loss of revenues therefrom payable to or for the account of TBTA, and other income and receipts, as received by TBTA directly or indirectly from any of TBTA’s operations, including the ownership or operation of any TBTA Facilities, subject to certain exceptions.

TBTA does not currently derive any significant recurring Revenues from any sources other than the TBTA Facilities and investment income. Income from the TBTA Transit and Commuter Project (the transit and commuter systems) is not derived by or for the account of TBTA; consequently, no revenues from any portion of the TBTA Transit and Commuter Project are pledged to the payment of debt service on the Bonds.

For a discussion of other projects that TBTA is authorized to undertake, *see Appendix A – THE RELATED ENTITIES – The Triborough Bridge and Tunnel Authority – Authorized Projects of TBTA.*

***Additional TBTA Projects that can become TBTA Facilities.*** If TBTA is authorized to undertake another project, whether or not a bridge or tunnel, that project can become a TBTA Facility for purposes of the TBTA Resolution if it is designated as such by TBTA and it satisfies, among others, the following conditions:

- an Authorized Officer certifies that either:
  - the Additional TBTA Project has been in operation (whether or not by TBTA) for a period of at least 12 months prior to the date of such designation, and that for a period of any 12 consecutive calendar months out of the 18 calendar months preceding the date of designation, the Additional TBTA Project Revenues derived from the operation of such Additional TBTA Project exceeded the Operating Expenses, or

- the Additional TBTA Project is in operation and, in such Authorized Officer's opinion, the Additional TBTA Project Revenues to be derived from the operation of such Project will exceed the Operating Expenses for such Additional TBTA Project during the first 12 months of operation, and
- an Authorized Officer certifies
  - as to the actual or anticipated Revenues and Operating Expenses of TBTA for the applicable 12-month period; provided that,
    - the Revenues (adjusted up or down to reflect any new toll rate changes) and Operating Expenses shall be increased by the actual or anticipated Additional TBTA Project Revenues and Operating Expenses of the Additional TBTA Project for such 12-month period, and
    - the actual or anticipated Additional TBTA Project Revenues (adjusted up or down to reflect any new toll rate changes) and Operating Expenses of any Additional TBTA Project operated by or under lease from TBTA otherwise than as an Additional TBTA Project during any part of the period shall be calculated as if the definitions of Revenues and Operating Expenses had been applicable thereto, and
  - that for such 12-month period, the Revenues less Operating Expenses, as calculated in accordance with the preceding bullet points, are at least equal to 1.40 times Maximum Annual Calculated Debt Service during such period; and
- an Independent Engineer certifies that, for each of 5 successive 12-month periods, the earliest of which begins on a calendar quarterly date not more than 60 days immediately following the date of designation as an Additional TBTA Project, the Net Revenues in each 12-month period (after giving effect to such designation) will be at least equal to 1.40 times the Maximum Calculated Debt Service for each of such successive 12-month periods.

For a more complete description of the requirements that must be satisfied before designation as an Additional TBTA Facility, *see* SUMMARY OF CERTAIN PROVISIONS OF THE TBTA RESOLUTION – Additional TBTA Facilities *included by specific reference herein*.

The Convention Center Project is not and cannot become an Additional TBTA Project, and no Bonds may be issued under the TBTA Resolution to finance the Convention Center Project.

### **Flow of Revenues**

The TBTA Resolution establishes the following funds and accounts, each held by TBTA:

- Revenue Fund,
- Proceeds Fund,
- Debt Service Fund, and
- General Fund.

Under the TBTA Resolution, TBTA is required to pay into the Revenue Fund all Revenues as and when received and available for deposit.

TBTA is required to pay out from the Revenue Fund, on or before the 25th day of each calendar month, the following amounts in the following order of priority:

- payment of reasonable and necessary Operating Expenses or accumulation in the Revenue Fund as a reserve (i) for working capital, (ii) for such Operating Expenses the payment of which is not immediately required, including amounts determined by TBTA to be required as an operating reserve, or (iii) deemed necessary or desirable by TBTA to comply with orders or rulings of an agency or regulatory body having lawful jurisdiction;
- transfer to the Debt Service Fund, the amount, if any, required so that the balance in the fund is equal to Accrued Debt Service to the last day of the current calendar month; *provided, however, that* in no event shall the amount to be so transferred be less than the amount required for all payment dates occurring prior to the 25<sup>th</sup> day of the next succeeding calendar month;
- transfer to another person for payment of, or accrual for payment of, principal of and interest on any Subordinated Indebtedness or for payment of amounts due under any Subordinated Contract Obligations; and
- transfer to the General Fund any remaining amount.

All amounts paid out by TBTA for an authorized purpose (excluding transfers to any other pledged Fund or Account), or withdrawn from the General Fund in accordance with the TBTA Resolution, are free and clear of the lien and pledge created by the TBTA Resolution.

Under the TBTA Resolution, TBTA is required to use amounts in the General Fund to make up deficiencies in the Debt Service Fund and the Revenue Fund, in that order. Subject to the preceding sentence and any lien or pledge securing Subordinated Indebtedness, the TBTA Resolution authorizes TBTA to release amounts in the General Fund to be paid to TBTA free and clear of the lien and pledge created by the TBTA Resolution.

TBTA is required by law to transfer amounts released from the General Fund to MTA, and a statutory formula determines how MTA allocates that money between the transit and commuter systems.

### **Rate Covenant**

Under the TBTA Resolution, TBTA is required at all times to establish, levy, maintain and collect, or cause to be established, levied, maintained and collected, such tolls, rentals and other charges in connection with the TBTA Facilities as shall always be sufficient, together with other money available therefor (including the anticipated receipt of proceeds of sale of Obligations or other bonds, notes or other obligations or evidences of indebtedness of TBTA that will be used to pay the principal of Obligations issued in anticipation of such receipt, but not including any anticipated or actual proceeds from the sale of TBTA Facilities), to equal or exceed in each calendar year **the greater of**

- an amount equal to the sum of amounts necessary in such calendar year
  - to pay all Operating Expenses of TBTA, plus
  - to pay Calculated Debt Service, as well as the debt service on all Subordinated Indebtedness and all Subordinated Contract Obligations, plus
  - to maintain any reserve established by TBTA pursuant to the TBTA Resolution, in such amount as may be determined from time to time by TBTA in its judgment, or
- an amount such that Revenues less Operating Expenses shall equal at least **1.25 times** Calculated Debt Service on all senior lien Bonds for such calendar year.

For a more complete description of the rate covenant and a description of the minimum tolls that can be charged at the TBTA Facilities, *see* SUMMARY OF CERTAIN PROVISIONS OF THE TBTA RESOLUTION – Rates and Fees *included by specific reference herein*.

## **Additional Bonds**

Under the provisions of the TBTA Resolution, TBTA may issue one or more series of Additional Bonds on a parity with the Series 2002F Bonds and other Outstanding Bonds to provide for Capital Costs.

*Certain Additional Bonds for TBTA Facilities.* TBTA may issue Additional Bonds without satisfying any earnings or coverage test for the purpose of providing for Capital Costs relating to TBTA Facilities for the purpose of keeping such TBTA Facilities in good operating condition or preventing a loss of Revenues or Revenues after payment of Operating Expenses derived from such TBTA Facilities.

*Additional Bonds for Other Purposes.* TBTA may issue Additional Bonds to pay or provide for the payment of all or part of Capital Costs relating to any of the following purposes:

- TBTA Transit and Commuter Project,
- any Additional TBTA Project (that does not become a TBTA Facility), or
- any TBTA Facilities other than for the purposes set forth in the preceding paragraph.

In the case of Additional Bonds issued other than for the improvement, reconstruction or rehabilitation of TBTA Facilities as described under the preceding heading, in addition to meeting certain other conditions, all as more fully described in SUMMARY OF CERTAIN PROVISIONS OF THE TBTA RESOLUTION – Special Provisions for Capital Cost Obligations *included by specific reference herein*, an Authorized Officer must certify that the historical Twelve Month Period Net Revenues are at least equal to **1.40 times** the Maximum Annual Calculated Debt Service on all senior lien Bonds, including debt service on the Bonds to be issued.

## **Refunding Bonds**

Bonds may be issued for the purpose of refunding Bonds if (a) the Maximum Annual Calculated Debt Service (including the refunding Bonds then proposed to be issued but not including the Bonds to be refunded) is equal to or less than the Maximum Annual Calculated Debt Service on the Bonds as calculated immediately prior to the refunding (including the refunded Bonds but not including the refunding Bonds) or (b) the conditions referred to above under *Additional Bonds* for the category of Bonds being refunded are satisfied.

For a more complete description of the conditions that must be satisfied before issuing refunding Bonds, *see* SUMMARY OF CERTAIN PROVISIONS OF THE TBTA RESOLUTION – Refunding Obligations *included by specific reference herein*.

## **Subordinate Obligations**

The TBTA Resolution authorizes the issuance or incurrence of subordinate obligations. *See* INTRODUCTION – Debt Restructuring Program for a discussion of the currently expected issuance of subordinate obligations.

### PART III. OTHER INFORMATION ABOUT THE SERIES 2002F BONDS

*Part III* of this official statement provides miscellaneous additional information relating to the Series 2002F Bonds.

#### TAX MATTERS

Hawkins, Delafield & Wood is Bond Counsel for the Series 2002F Bonds. Their opinion under existing law, relying on certain statements by TBTA and assuming compliance by TBTA with certain covenants, is that interest on the Series 2002F Bonds is:

- excluded from a bondholder's federal gross income under the Internal Revenue Code of 1986,
- not a preference item for a bondholder under the federal alternative minimum tax, and
- included in the adjusted current earnings of a corporation under the federal corporate alternative minimum tax.

Their opinion is also that under existing law interest on the Series 2002F Bonds is exempt from personal income taxes of New York State and any political subdivisions of the State, including The City of New York. *See Attachment 3* to this official statement for the form of the opinion that Bond Counsel expects to deliver when the Series 2002F Bonds are delivered.

The Internal Revenue Code imposes requirements on the Series 2002F Bonds that TBTA must continue to meet after the Series 2002F Bonds are issued. These requirements generally involve the way that Series 2002F Bond proceeds must be used and invested. If TBTA does not meet these requirements, it is possible that a bondholder may have to include interest on the Series 2002F Bonds in its federal gross income on a retroactive basis to the date of issue. TBTA has covenanted to do everything necessary to meet the requirements of the Internal Revenue Code.

A bondholder who is a particular kind of taxpayer may also have additional tax consequences from owning the Series 2002F Bonds. This is possible if a bondholder is

- an S corporation,
- a United States branch of a foreign corporation,
- a financial institution,
- a property and casualty or a life insurance company,
- an individual receiving Social Security or railroad retirement benefits,
- an individual claiming the earned income credit or
- a borrower of money to purchase or carry the Series 2002F Bonds.

If a bondholder is in any of these categories, it should consult its tax advisor.

Bond Counsel is not responsible for updating its opinion in the future. It is possible that something may happen in the future that could change the tax treatment of the interest on the Series 2002F Bonds or affect the market price of the Series 2002F Bonds. For example, the Internal Revenue Code could be changed.

Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel on the federal income tax treatment of interest on the Series 2002F Bonds, or under State, local or foreign tax law.

## VERIFICATION OF MATHEMATICAL COMPUTATIONS

The arithmetical accuracy of (a) the mathematical computations of the adequacy of the outstanding maturing amount of principal of and interest on the Government Securities and other available moneys to be deposited in escrow to pay the maturing amounts or redemption prices of the Refunded Bonds on their respective maturity or redemption dates, together with all payments of interest thereon coming due on or prior to such dates and (b) mathematical computations supporting the conclusion of Bond Counsel that the Series 2002F Bonds are not “arbitrage bonds” under Section 148 of the Code, will be verified by Samuel Klein & Co., Certified Public Accountants.

## LEGALITY FOR INVESTMENT

The TBTA Act provides that the Series 2002F Bonds are securities in which the following investors may properly and legally invest funds, including capital in their control or belonging to them:

- all public officers and bodies of the State and all municipalities and political subdivisions in the State,
- all insurance companies and associations and other persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies and other persons carrying on a banking business,
- all administrators, guardians, executors, trustees and other fiduciaries, and
- all other persons whatsoever who are now or who may hereafter be authorized to invest in the obligations of the State.

Certain of those investors, however, may be subject to separate restrictions which limit or prevent their investment in the Series 2002F Bonds.

## LITIGATION

There is no pending litigation concerning the bonds being offered.

TBTA is the defendant in numerous claims and actions. TBTA does not believe that any of these claims and actions are material to the payment of principal and interest on the Series 2002F Bonds. A summary of certain of these potentially material claims and actions is set forth in **Appendix A – THE RELATED ENTITIES – Litigation - TBTA**, as that filing may be amended or supplemented to date.

## FINANCIAL ADVISOR

Goldman, Sachs & Co. is TBTA’s financial advisor for the Series 2002F Bonds and the debt restructuring. The financial advisor has provided TBTA advice on the plan of financing and reviewed the pricing of the Series 2002F Bonds. The financial advisor has not independently verified the information contained in this official statement and does not assume responsibility for the accuracy, completeness or fairness of such information. The financial advisor’s fees for serving as financial advisor are contingent upon the issuance of the Series 2002F Bonds.

## UNDERWRITING

J.P. Morgan Securities Inc. has agreed, subject to certain conditions, to purchase from TBTA the Series 2002F Bonds at an aggregate purchase price of \$245,794,899.88, reflecting an Underwriter’s discount of \$685,100.12, and to reoffer such Series 2002F Bonds at par. J.P. Morgan Securities Inc.’s obligation to purchase the Series 2002F Bonds is subject to certain conditions precedent, and it will be obligated to purchase all such Series 2002F Bonds if any Series 2002F Bonds are purchased.

## RATINGS

The Summary of Terms identifies the ratings of the credit rating agencies that are expected to be assigned to the Series 2002F Bonds. Those expected ratings reflect only the views of the organizations assigning them. An explanation of the significance of the ratings from each identified agency may be obtained as follows:

Fitch Ratings One State Street Plaza New York, New York 10004 (212) 908-0500	Moody's Investors Service, Inc. 99 Church Street New York, New York 10007 (212) 553-0300	Standard & Poor's Ratings Services 55 Water Street New York, New York 10041 (212) 438-2000
---	---	---

TBTA has furnished to each rating agency rating the bonds being offered information, including information not included in this official statement, about TBTA and the bonds. Generally, rating agencies base their ratings on that information and on independent investigations, studies and assumptions made by each rating agency. There can be no assurance that ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by a rating agency if, in the judgment of that rating agency, circumstances warrant the revision or withdrawal. Those circumstances may include, among other things, changes in or unavailability of information relating to TBTA or the bonds. Any downward revision or withdrawal of a rating may have an adverse effect on the market price of the bonds.

*The expected short term ratings on the bonds identified in the Summary of Terms reflect the ratings of the bank providing liquidity support for the bonds.*

## LEGAL MATTERS

All legal proceedings in connection with the issuance of the bonds being offered are subject to the approval of the nationally-recognized bond counsel firm identified on the cover page and in the Summary of Terms. The form of the opinion of Bond Counsel is **Attachment 3** to this official statement.

Certain legal matters regarding TBTA will be passed upon by its General Counsel. In addition, certain legal matters will be passed upon by TBTA's special counsel or the counsel to the Underwriter, or both, as also indicated in the Summary of Terms.

## NO CONTINUING DISCLOSURE UNDER SEC RULE 15c2-12

Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, does not require TBTA to provide continuing disclosure during the period that the Series 2002F Bonds bear interest in the Weekly Mode.

## ATTACHMENT 1

### BOOK-ENTRY-ONLY SYSTEM

1. The Depository Trust Company (DTC), New York, NY, will act as securities depository for the Series 2002F Bonds. The Series 2002F Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2002F Bond will be issued for each maturity of the Series 2002F Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any maturity of the Series 2002F Bonds exceeds \$500 million, one Bond of such maturity will be issued with respect to each \$500 million of principal amount, and an additional Bond will be issued with respect to any remaining principal amount of such maturity.

2. DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over two million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants (Direct Participants) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (DTCC). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (Indirect Participants). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

3. Purchases of Series 2002F Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2002F Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2002F Bond (Beneficial Owner) is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2002F Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2002F Bonds, except in the event that use of the book-entry system for the Series 2002F Bonds is discontinued.

4. To facilitate subsequent transfers, all Series 2002F Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2002F Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2002F Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2002F Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be

governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2002F Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2002F Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2002F Bond documents. For example, Beneficial Owners of the Series 2002F Bonds may wish to ascertain that the nominee holding the Series 2002F Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Series 2002F Bonds of any maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2002F Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to TBTA as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2002F Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds and principal and interest payments on the Series 2002F Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from TBTA or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or TBTA, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of TBTA or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Series 2002F Bonds purchased or tendered, through its Participant, to the Tender/Remarketing Agent, and shall effect delivery of such Series 2002F Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2002F Bonds, on DTC's records, to the Tender/Remarketing Agent. The requirement for physical delivery of Series 2002F Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2002F Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2002F Bonds to the Tender/Remarketing Agent's DTC account.

10. DTC may discontinue providing its services as depository with respect to the Series 2002F Bonds at any time by giving reasonable notice to TBTA or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, certificates for the Series 2002F Bonds are required to be printed and delivered.

11. TBTA may decide to discontinue use of the system of book-entry transfers through DTC (or a successor depository). In that event, certificates for the Series 2002F Bonds will be printed and delivered

THE ABOVE INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT TBTA BELIEVES TO BE RELIABLE, BUT TBTA TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

### FORM OF OPINION OF BOND COUNSEL

**Upon delivery of the Series 2002F Bonds in definitive form, Hawkins, Delafield & Wood, New York, New York, Bond Counsel to TBTA, proposes to render its final approving opinion in substantially the following form:**

[Date of Closing]

Triborough Bridge and Tunnel Authority  
New York, New York

Ladies and Gentlemen:

We have examined a certified copy of the record of proceedings of the Triborough Bridge and Tunnel Authority (the "TBTA") and other proofs submitted to us relative to the issuance of \$246,480,000 aggregate principal amount of Triborough Bridge and Tunnel Authority General Revenue Variable Rate Refunding Bonds, Series 2002F (the "Series 2002F Bonds").

All terms defined in the Resolution (hereinafter defined) and used herein shall have the respective meanings assigned in the Resolution, except where the context hereof otherwise requires.

The Series 2002F Bonds are issued under and pursuant to the Constitution and statutes of the State of New York (the "State"), including the Triborough Bridge and Tunnel Authority Act, being Title 3 of Article 3 of the Public Authorities Law, Chapter 43-A of the Consolidated Laws of the State of New York, as amended to the date of this opinion letter (herein called the "Issuer Act"), and under and pursuant to proceedings of TBTA duly taken, including a resolution adopted by the members of TBTA on March 26, 2002 entitled "General Resolution Authorizing General Revenue Obligations", as supplemented by a resolution of said members adopted on March 26, 2002 (collectively, the "Resolution").

The Series 2002F Bonds are dated, mature, are payable, bear interest and are subject to redemption, all as provided in the Resolution.

A portion of the proceeds of the Series 2002F Bonds is being used to refund certain of the outstanding bonds of TBTA issued pursuant to one or more of the resolutions pursuant to which the Prior Lien Obligations have been issued (collectively, referred to as, the "Prior Resolutions"), such bonds having been issued in multiple series and as described in the hereinafter defined Escrow Agreements as being refunded with proceeds of the Series 2002F Bonds (collectively, the "Refunded Bonds"). A portion of the proceeds of the Series 2002F Bonds together with any other amounts made available by TBTA (the "Defeasance Deposit") has been used to purchase direct obligations of the United States of America in an aggregate amount sufficient, together with any amounts held uninvested, to pay when due the principal or applicable redemption price of and interest due and to become due on said Refunded Bonds (the "Defeasance Requirement"). Such Defeasance Deposit is being held in trust under escrow agreements, each dated November \_\_, 2002 (collectively, the "Escrow Agreements"), by and between TBTA and U.S. Bank Trust National Association and The Bank of New York, respectively, as escrow agents thereunder and as successor trustees under the applicable Prior Resolutions (the "Prior Trustees"). TBTA has given the Prior Trustees, in form satisfactory to each of them, irrevocable instructions to give notice in accordance with the Prior Resolutions of the redemption of those Refunded Bonds being redeemed prior to maturity and the deposit of the Defeasance Deposit. Samuel Klein & Co., certified public accountants, have prepared a report stating that they have reviewed the accuracy of the mathematical computations of the adequacy of the Defeasance Deposit, as invested, to pay in full the Defeasance Requirement when due. We have undertaken no independent verification of the adequacy of the Defeasance Deposit.

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Series 2002F Bonds in order that interest on the Series 2002F Bonds be and remain excluded from gross income for federal income tax purposes under Section 103 of the Code. We have examined the Arbitrage and Use of Proceeds Certificate of the TBTA, dated the date hereof (the "Arbitrage

and Use of Proceeds Certificate”), in which the TBTA has made representations, statements of intention and reasonable expectation, certifications of fact and covenants relating to the federal tax status of interest on the Series 2002F Bonds, including, but not limited to, certain representations with respect to the use of the proceeds of the Series 2002F Bonds and the investment of certain funds. The Arbitrage and Use of Proceeds Certificate obligates the TBTA to take certain actions necessary to cause interest on the Series 2002F Bonds to be excluded from gross income pursuant to Section 103 of the Code. Noncompliance with the requirements of the Code could cause interest on the Series 2002F Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance, irrespective of the date on which such noncompliance occurs or is ascertained. The TBTA has covenanted in the Resolution to maintain the exclusion of the interest on the Series 2002F Bonds from gross income for federal income tax purposes pursuant to Section 103(a) of the Code.

In rendering the opinion in paragraph 5 hereof, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectation and certifications of fact contained in the Arbitrage and Use of Proceeds Certificate with respect to matters affecting the exclusion of interest on the Series 2002F Bonds from gross income for federal income tax purposes under Section 103 of the Code and (ii) compliance by the TBTA with procedures and covenants set forth in the Arbitrage and Use of Proceeds Certificate as to such tax matters.

We have also examined one of said Series 2002F Bonds as executed and, in our opinion, the form of said Series 2002F Bond and its execution are regular and proper.

We are of the opinion that:

1. TBTA is duly created and validly existing under the laws of the State, including the Constitution of the State and the Issuer Act.

2. TBTA has the right and power under the Issuer Act to adopt the Resolution. The Resolution has been duly and lawfully adopted by TBTA, is in full force and effect, is valid and binding upon TBTA, and is enforceable in accordance with its terms, and no other authorization for the Resolution is required. The Resolution creates the valid pledge which it purports to create of the Trust Estate, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution, including the prior pledge of any Prior Lien Obligations which remain outstanding.

3. The Series 2002F Bonds have been duly and validly authorized and issued in accordance with the laws of the State, including the Constitution of the State and the Issuer Act, and in accordance with the Resolution, and are valid and binding direct and general obligations of TBTA, enforceable in accordance with their terms and the terms of the Resolution, payable solely from the Trust Estate as provided in the Resolution, and are entitled to the benefits of the Issuer Act and the Resolution. TBTA has no taxing power and the Series 2002F Bonds are not debts of the State or of any other political subdivision thereof. TBTA reserves the right to issue additional Obligations and to incur Parity Debt on the terms and conditions, and for the purposes, provided in the Resolution, on a parity as to security and payment with the Series 2002F Bonds.

4. The Series 2002F Bonds are securities in which all public officers and bodies of the State and all municipalities and political subdivisions, all insurance companies and associations and other persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are or may be authorized to invest in bonds or other obligations of the State, may properly and legally invest funds including capital in their control or belonging to them to the extent that the legality of such investment is governed by the laws of the State; and which may be deposited with and shall be received by all public officers and bodies of the State and all municipalities and political subdivisions for any purpose for which the deposit of bonds or other obligations of the State is or may be authorized.

5. Under existing statutes and court decisions (i) interest on the Series 2002F Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Series 2002F Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on

individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations.

6. Under existing statutes, interest on the Series 2002F Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof.

7. The Escrow Agreements have each been duly authorized, executed and delivered by TBTA, and, assuming the due authorization, execution and delivery of each of them by the respective Prior Trustees, each of the Escrow Agreements is a valid and binding obligation of TBTA, enforceable in accordance with its respective terms. The Refunded Bonds have been paid or deemed to have been paid within the meaning and with the effect expressed in the Prior Resolutions, and the covenants, agreements and other obligations of TBTA to the holders of the Refunded Bonds have been discharged and satisfied.

The opinions expressed in paragraphs 2 and 3 above are subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws heretofore or hereafter enacted affecting creditors' rights and are subject to the application of principles of equity relating to or affecting the enforcement of contractual obligations, whether such enforcement is considered in a proceeding in equity or at law.

Except as stated in paragraphs 5 and 6, we express no opinion regarding any other federal, state, local or foreign tax consequences with respect to the Series 2002F Bonds. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for federal income tax purposes of interest on the Series 2002F Bonds, or under state, local and foreign tax law.

We express no opinion as to the accuracy or sufficiency of any financial or other information which has been or will be supplied to purchasers of the Series 2002F Bonds.

This opinion letter is rendered solely with regard to the matters expressly opined on above and does not consider or extend to any documents, agreements, representations or other material of any kind not specifically opined on above.
