Re: Second Addendum to Request For Proposals ("RFP") PF0610- Retail Opportunities at Various Metro-North Station Locations - MOUNT VERNON EAST.

Dear Proposer:

Thank you for attending the site visit of the premises at the above-referenced location on July 15, 2010, and for your interest in this RFP.

A question of whether access to any electric or other power would be provided for the small rolling coffee cart which will be permitted in the overpass by the ticket agent.

Please note that no such access will be provided in the overpass or at any location outside of the concession and neither will use of the electrical outlets in the overpass will be authorized.

Also, as per the RFP, the cart must be stored in the concession during off hours, and cannot remain in the overpass. The cart should easily load onto and off of the elevator at the station.

The cart's design must be approved by Metro-North prior to use at the station.

Final proposals must be submitted in to our offices no later than 3:00 PM on Friday, July 9, 2010.

Finally, please be reminded, **all contacts made with the MTA relating to this RFP must be made through the designated Point(s) of Contact. The designated Points of Contact for this RFP are Paul Fitzpatrick and Anita Jhamb. Contacts with anyone else at MTA relating to this RFP may be a violation of the law and result in the disqualification of the proposer.** To request missing materials or replacements call (212) 878-7049 and reference the Poughkeepsie Station RFP PF0610.

Sincerely yours,

A handwritten signature in black ink that reads "Paul M. Fitzpatrick".

Paul M. Fitzpatrick
